- Additional Casino Game Play Money available for on-site purchase

**Register  
Online Today**

Our very own Night at the Casino Royale will offer Casino-Style Games, Bidding Missions - If you choose to accept, Delicious Catering by Crave, Live Music by LWLHS BasiC, and plenty of James Bond inspiration. Cash Bar available!

Funds generously donated will be used to support these current LWLHS missions:

- Increased Campus Security - Every Agent knows safety is our goal!
- RISE Capital Campaign - This is definitely a Mission of Change that includes eliminating existing debt and focusing on growth! This project includes an addition of a new Fieldhouse on the west side of our building, connecting the new classrooms of the West-Wing to our existing building, and sequentially, dedicating a Fine Arts space by remodeling our current gymnasium.

***The Expansion of LWLHS will  
allow us to expand enrollment and  
bring the Gospel to more students!***
